

COVER LETTER

17 May 2016

Dear editor of *Oecologia Australis*,

With this letter I would like to submit a manuscript entitled “**Distribution extension of *Trilepida jani* in the Espinhaço range and correction of records of *Trilepida koppesi* from the Atlantic Forest (Serpentes: Leptotyphlopidae)**” for review and possible publication.

We would like to state that all authors agree to this submission. This manuscript was previously submitted to *Phyllomedusa Journal of Herpetology*, but was not accepted to no longer fit the journal’s scope.

As potential reviewers to this manuscript we suggest the following experts:

- Diego José Santana (UFMS) – santanadiegojose@gmail.com
- Leandro Oliveira Drummond (UFRJ) – barrocolod@hotmail.com
- Paulo Machado Filho (MZUSP) – prmfilho.sbo@gmail.com
- Roberta Richard Pinto (UniCaP) – robertarich@gmail.com
- Vinícius Avelar São Pedro (UFRN) – vasaopedro@gmail.com

We look forward to hearing your consideration of the merits of this paper.

Thank you, and best wishes,

HANS THOMASSEN ANDRADE
